The Breakfast ~~Club~~ Pub

Locally world famous

Welcome to Battersea,

home to what we think is the world's first Breakfast Pub (we googled it, it doesn't exist. Agreed, there may be a reason for that)

Somewhere in the depths of Breakfast Club HQ the idea of The Breakfast Pub has been simmering for a few years, I mean it's a lovely play on words isn't it?

But every time it got shelved (quite rightly so we hear you say!)

Well, we like a challenge.
People of Battersea, it's time to roll the dice.

Over the next few months we'll be dropping some throwback bombs at the top of The Rise.
The warm fuzzy glow dishes of yesteryear with a Breakfast Pub bump.

We're going to start your trip down memory lane with some of our all time favourite pub dishes. Think Chicken Kiev, think ham, egg & chips and the coming together of two greats
The Club Sandwich & Caesar Salad.

Wash it down with a full range of draft and bottled craft beers and classic cocktails.

As a thank you for joining us on this journey of discovery we'll give you **25% off your bill** throughout the whole of February.

One last thing, we'd like you tell us what you think - good or bad.

**'BEER IS FOR
BREAKFAST,
DRINK OR BE GONE'**
