THE MAYOR OF SCAREDY CAT TOWN

We would like to extend a warm welcome to all our visitors, whether you're returning to see old friends or it's your first visit to our little underground bolt hole. We hope you enjoy our wonderful climate, friendly locals and fine food and drink.

As a wise man once said 'how we behave toward cats here below determines our status in heaven'. So we'd like to offer you a few words of advice to make your stay here more pleasant.

1. Never depart Scaredy Cat Town via the fridge in The Breakfast Club. Instead leave by the door on the left at the top of the stairs and through the toilets. Act nonchalantly as if you've just had a pee. Gentleman, you are advised to leave your fly down to add to the charade. Ladies, if you'd leave your skirt in your knickers, it would be greatly appreciated. Toilet paper stuck to your shoe also gets a big thumbs up.

2. The town is Scaredy Cat Town, not Cool Cats Town, the Mayor demands the highest standards of self deprecation.

3. If you leave after eleven there's no re-entry, the flap's down and you're out for the night.

4. As you can probably see, there isn't enough room to swing a Scaredy Cat round here. Cosy proximity to your fellow drinkers is part and parcel of your experience. It's like the tube but more fuzzy and friendly.

5. For Thunder Cats - our bathrooms are located immediately behind the 'no heavy petting' sign The left hand door of the 3 doors you see next to Randolph the Reindeer.

6. If your name is 'Garfield' you will receive one free drink upon valid proof of identity.

Warm Regards

~
