The humble egg. So wonderful when done right, so easy to get wrong.

Let's start with the age old question, what came first, the Chicken or the Egg? Our eggs are handpicked and come from multi award-winning St Ewe, the Tonks family owned farm in Cornwall where the hens roam free as a (flightless) bird. The welfare of the hens (chickens) definitely comes first. If hens did spa weekends, this would be it.

It could all still go horribly wrong. But here's why it doesn't. Every fried egg is fried in its own teeny weeny individual pan. The scrambled eggs - just eggs and butter, nothing more. Don't worry about egg poaching nightmares, over the years we've poached millions - you're in the hands of professionals here.

There you go. Stick your fork in, release the Egg Porn.

Chorizo

It's been all over our menus since day dot. But we've finally got there, our in-house **Vegan Chorizo**.

It may be an act that has Don Carlos the famous Andalusian pig farmer turning in his grave. But we've taken all the delicious flavours of Chorizo - think smoked paprika, chopped garlic, oregano and mixed it in with our 'meat' (a sun dried tomatoes & chopped lentil base) and then added salt. It's salty, cured meat is salty! We then balanced it out with a dash of fresh lemon.

Last thing, it's not a sausage, it'll hit your dish as chorizo 'mince'. We hope you love it!
