BECOMING THE NATION'S BEST LOVED CAF

THE BREAKFAST CLUB GET-TOGETHERS

The problem with a place like The Breakfast
Club with its oat flat whites and avocado toast is
it can feel quite intimidating to your average 85
year old Islington pensioner. Our 'get togethers'
are events held across The Breakfast Club
where we host local community groups in our
cafs for tea, cake and a Prosecco or two! It's a
social occasion that brings people together who
often live alone and helps them build deep
lasting relationships with each other and with
our team.

Our team lead the events and spend a couple of
hours eating, drinking and chatting with groups
of older people from all walks of life local to our
cafs. Whether it's Islington Pensioners or the
older Brighton LGBTQ+ community.

There's our annual Christmas knees up for
turkey, party frocks, carol singing and a few
risqué party games. Age is not a barrier to a
filthy sense of humour.

This is a community program with
depth, substance and heart. It's
integral to our mission to become
The Nation's Best Loved Caf.

A
GOOD
EGG

The humble egg. So wonderful when done right,
so easy to get wrong.

Let's start with the age old question, what came
first, the Chicken or the Egg? Our eggs are
handpicked and come from **multi**
award-winning St Ewe, the Tonks family owned
farm in Cornwall where the hens roam free as a
(flightless) bird. The welfare of the hens
(chickens) definitely comes first. If hens did spa
weekends, this would be it.

It could all still go horribly wrong. But here's
why it doesn't. Every fried egg is fried in its own
teeny weeny individual pan. The scrambled eggs
- just eggs and butter, nothing more. Don't worry
about egg poaching nightmares, over the years
we've poached millions - you're in the hands of
professionals here.

There you go. Stick your fork in, release the
Egg Porn.
