CLUB CHORIZO

We love chorizo at the BC but we couldn't find anyone that made a great vegan chorizo. So we made our own. A sun-dried tomato and lentil mince with all the flavours (garlic, smoked paprika, cumin and lemon) of the goddamn tastiest food on the planet.

SCRAMBLED TAHINI TOFU

Real or scrambled tofu? Listen, for us you can't beat an egg (get it?) so we'll not be taking them off our menu any time this millennium. But if a yolk and a white isn't for you, we have a delicious tahini and turmeric based scrambled tofu.

The Holy Grail. The best vegan bacon we've ever tasted, that brings you everything you love about bacon, without the pig.

Redefine Meat is a whole different animal. They make delicious new-meat, using entirely plant-based ingredients. Redefine Meat have gone next level on the science to bring us the best vegan sausage & burgers we've ever had our chops around.
