### BECOMING THE NATION'S BEST LOVED CAF

#### The Breakfast Club Get-Togethers

The problem with a place like The Breakfast Club with its oat flat whites and avocado toast is it can feel quite intimidating to your average 85 year old Islington pensioner. Our ‘get togethers’ are events held across The Breakfast Club where we host local community groups in our cafs for tea, cake and a Prosecco or two! It’s a social occasion that brings people together who often live alone and helps them build deep lasting relationships with each other and with our team.

Our team lead the events and spend a couple of hours eating, drinking and chatting with groups of older people from all walks of life local to our cafs. Whether it’s Islington Pensioners or the older Brighton LGBTQ+ community.

There’s our annual Christmas knees up for turkey, party frocks, carol singing and a few risqué party games. Age is not a barrier to a filthy sense of humour.

This is a community program with depth, substance and heart. It’s integral to our mission to become **The Nation’s Best Loved Caf**.
