**Becoming The Nation's Best Loved Caf**

London, 22nd of August 2005, about 2.30pm. It's five years into the new Millennium – nobody has ever sent a tweet, avocado on toast is not a thing and James Blunt is telling everyone they're 'beautiful'

On a Soho side road called D'Arbly Street in London, a small, family owned, egg yolk yellow caf appeared. A teeny island oasis away from the wonderful mayhem and chaos of Soho.

The plan - well, kind of plan - a place that was about more than just the food and drink you put in your belly but the way it made you feel. A 'today is going to be a good day' start to your day in a place you want to take your friends.

Years later, The Breakfast Club is still family owned, it's still very much a caf, and the plan is still the plan. Good food and drink for all, served with a warm, arms wide open welcome.

Welcome to The Breakfast Club Gatwick.

**Sincerely yours, The Breakfast Club**

**CHOCOLICIOUS PANCAKE BALLS**

Mini doughnut style fried pancake balls, dusted in vanilla sugar served with a warm dark chocolate ganache (v) 721 kcal

**A GOOD EGG**

The humble egg. So wonderful when done right, so easy to get wrong. Let's start with the age old question, what came first, the chicken or the egg?

Our eggs are handpicked and come from multi award-winning St Ewe, the Tonks family owned farm in Cornwall where the hens roam free as a (flightless) bird. The welfare of the hens (chickens) definitely comes first. If hens did spa weekends, this would be it.

Please note all references to bacon, sausage & chorizo are plant based

### CLUB CHORIZO

We love chorizo at the BC but we couldn't find anyone that made a great vegan chorizo. So we made our own. A sun-dried tomato and lentil mince with all the flavours (garlic, smoked paprika, cumin and lemon) of the goddamn tastiest food on the planet.

### SCRAMBLED TAHINI TOFU

Real or scrambled tofu? Listen, for us you can't beat an egg (get it?) so we'll not be taking them off our menu any time this millennium. But if a yolk and a white isn't for you, we have a delicious tahini and turmeric based scrambled tofu.

### LAVIE BACON

The Holy Grail. The best vegan bacon we've ever tasted, that brings you everything you love about bacon, without the pig.

### SAUSAGES & BURGERS

Redefine Meat is a whole different animal. They make delicious new-meat, using entirely plant-based ingredients. Redefine Meat have gone next level on the science to bring us the best vegan sausage & burgers we've ever had our chops around.

## EVERYONE IS WELCOME

We have a word for what we do here at the Breakfast Club. 'Cafness'. It's about everyone being welcome. It's about community. It's about authenticity and it's about never getting too big for our boots!

Nothing screams 'Cafness' like The Breakfast Club 'Get-togethers'. These are events held across The Breakfast Club where we host local community groups in our cafs.

It's a simple premise, good food and drink (sometimes Prosecco!) uplifting conversation and good company. They are older groups who often suffer isolation and loneliness. Whether it's pensioners in Islington or older LGBTQ groups in Brighton.

Sometimes a place like The Breakfast Club, with its oat flat whites and avocado toast, can feel intimidating to your average 85 year old Islington pensioner. Our 'get togethers' break down barriers and bring people together who would never have spoken to each other in any other walk of life. Everyone is welcome, release your inner Cafness!
