The humble egg. So wonderful when done right, so easy to get wrong.

Let's start with the age old question, what came first, the Chicken or the Egg? Our eggs are hand-picked and come from multi award-winning St Ewe, the Tonks family owned farm in Cornwall where the hens roam free as a (flightless) bird. The welfare of the hens (chickens) definitely comes first. If hens did spa weekends, this would be it.

**BECOMING THE NATION'S BEST LOVED CAF**

**The Breakfast Club Get-Togethers**

The problem with a place like The Breakfast Club with its oat flat whites and avocado toast is it can feel quite intimidating to your average 85 year old pensioner. Our 'get-togethers' are events held across The Breakfast Club where we host local community groups in our cafs for tea, cake and a Prosecco or two! It's a social occasion that brings people together who often live alone and helps them build deep lasting relationships with each other and with our team.

Our team lead the events and spend a couple of hours eating, drinking and chatting with groups of older people from all walks of life local to our cafs.

There's our annual Christmas knees up for turkey, party frocks, carol singing and a few risqué party games. Age is not a barrier to a filthy sense of humour.

This is a community program with depth, substance and heart. It's integral to our mission to become **The Nation's Best Loved Caf.**

**PLANT BASED OPTIONS**

You'll see a few references to vegan replacements on bacon, eggs and chorizo on this menu.

Our 'made in house' (not in a factory) chorizo has all the flavours, none of the meat. With sundried tomatoes, soya, smoked paprika, garlic, cumin & lemon. Trust us when we say this a 'stand on it's own two feet' tasty bit of food. Not just for the veggies and vegans.

Not a fan of eggs? We've got a delicious tahini and turmeric based scrambled tofu.

**This Isn't Pork Sausage**, the classic breakfast banger with none of the meat.

On the Patty Melt we have one of THE greatest veggie burger patties by **Redefine Meat**.

Then finally **La Vie Bacon**, in our humble opinion the best 'non bacon' bacon out there.
