## Morning Glory

Morning Glory is our in-house coffee blend which is served in all BC cafs. Our beans come from two women-only farms in Brazil, run by Tania, Adrianna, Andrea & Andreia, both of which support the Women In Coffee initiative. The beans are then roasted by our B-Corp certified coffee partner, Origin Coffee.

The name of our coffee comes from a famous album cover that was set on Berwick St, the site of one of our gorgeous Soho cafs. And it tastes bloody delicious. With tasting notes of milk chocolate, orange & nuts, you won't find this blend of two outstanding Brazilian coffees anywhere else.
